Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Sunday 24 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells with showers dying out on Monday.

This Evening and Tonight:
Scattered wintry showers will continue in the north and west through this evening and overnight, pushing eastwards during the early hours. Another cold night with widespread frost and the risk of icy patches forming.

Monday:
The wintry showers in the north and west will continue on Monday, with some pushing eastwards. Otherwise good sunny spells. Showers largely dying off by late afternoon.

Outlook for Tuesday to Thursday:
Largely dry and sunny on Tuesday but chance of light sleet or snow in the south later. Some rain in the south on Wednesday, widely wet and windy on Thursday.
